

**GOLDSBORO WILL HAVE NEW DEPOT**  
Laundrymen of North Carolina Declare They Know Nothing of Methods of Trusts.

**GLENN FIGHTS DISPENSARY**  
But People of Creedmore Will Have It to Pave Their Streets.

[Special to The Times-Dispatch.]  
RALEIGH, N. C., March 19.—Plans were to-day submitted to the Corporation Commission for the new union station at Goldsboro, the erection of which has been delayed for several months on account of the lack of power on the part of the railroads and the Corporation Commission to condemn residential property for the purpose. Now, however, an act was passed by the recent Legislature conferring this power, and the work of the Goldsboro station can proceed.

The Laundrymen's Association of North Carolina, in session in Raleigh yesterday and last night, discussed every phase of the laundry business, including a movement to establish uniform commissions to be paid to agents in charge of branch offices. They insist that there was nothing done that will in any way tend to advance the price for work or that would smack in any way of trust methods. The officers and membership of the association follow: P. M. McCabe, Charlotte, president; W. S. Webb, Raleigh, vice-president; J. W. Morton, Asheville, secretary-treasurer; Wade Kimball, B. W. Baker, J. K. Marshall, J. S. Wynne, M. A. Dunn, Raleigh; J. J. Darby, Wilmington; F. D. Litheo, M. H. Epps, C. C. Harding, Charlotte; F. K. Mabry, Thomas Brothers, Durham; G. E. Perry, Henderson; W. S. Shepherd, Winston-Salem; John M. Dick, R. N. Hadley, Greensboro; J. H. Ledbetter, Fayetteville; C. N. Boone, J. K. Higgins, Gay Green, J. W. Morton, Asheville; R. J. Ridenhour, Concord; J. L. Leach, Hickory; B. H. Griffin, Goldsboro; W. M. Morris, Gastonia; Killian Brothers, Waynesville; J. L. Capehart, Washington; J. J. Lockhart, Monroe; U. C. Harrell, Statesville; R. V. Dyer, E. B. Allen; H. C. Howell, Wilson; F. B. Marsh, Salisbury.

Governor Glenn announces the appointment of delegates to the Interstate National Guard Convention, to be held in Columbia, S. C., March 25th and 26th. The delegates are: Colonel T. J. Gardner, Shelby; Lieutenant-Colonel J. Van B. Metts, Wilmington; Captain W. F. Moody, Raleigh; Captain M. W. Williams, Charlotte.

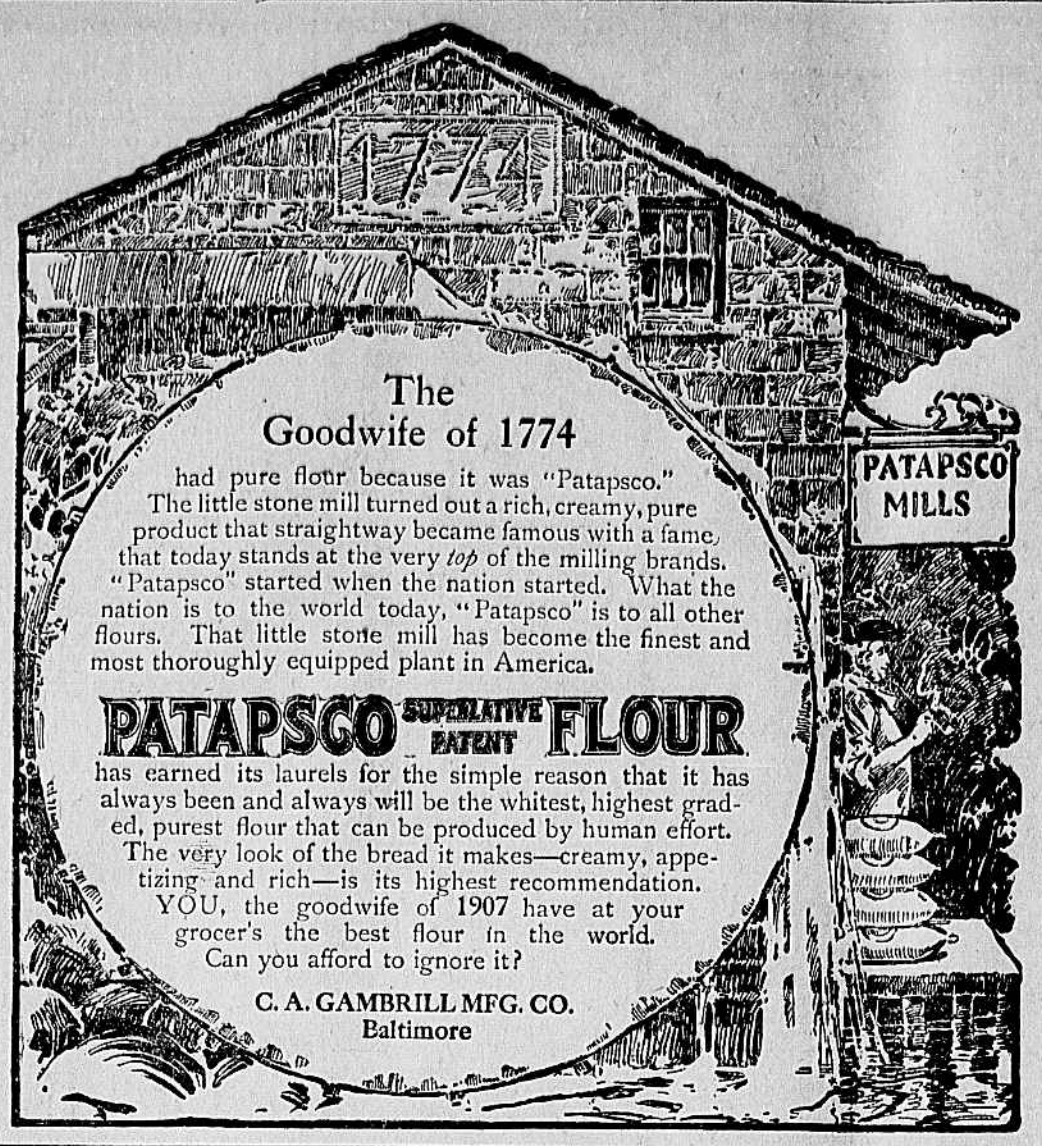

Governor Glenn returned to-day from Creedmore, Granville county, where he went to deliver a temperance address in connection with a fight that has been waged against the establishment of a dispensary there under the act of the recent Legislature. The Governor says his trip was really useless, however, as the matter had already been settled before he was called into the contest, the sentiment being two to one for the dispensary, which, he says, they seem to think will help to pave streets and make other improvements in the town. This the Governor declares to be a delusion of the rank-and-file sort. He says he was greeted by an immense crowd.

Governor Glenn will be in the executive office now until Thursday, when he goes to Wilmington, where he says he is anticipating an especially big time. A big banquet and a trip down the river on the government boat are among the features of entertainment he says he has been notified

**The Goodwife of 1774**

The little stone mill turned out a rich, creamy, pure product that straightway became famous with a fame, that today stands at the very top of the milling brands. "Patapsco" started when the nation started. What the nation is to the world today, "Patapsco" is to all other flours. That little stone mill has become the finest and most thoroughly equipped plant in America.

**PATAPSCO SUPERLATIVE FLOUR**  
has earned its laurels for the simple reason that it has always been and always will be the whitest, highest graded, purest flour that can be produced by human effort. The very look of the bread it makes—creamy, appetizing and rich—is its highest recommendation. YOU, the goodwife of 1907 have at your grocer's the best flour in the world. Can you afford to ignore it?

**LOVED SAME WOMAN: FIGHT TO THE DEATH**  
Brothers Who Were Once Rivals Have Fatal Row Over the Deserted Wife.

NEW YORK, March 19.—Two brothers who loved the same woman fought with knives and clubs in an East Side saloon early to-day, and until both were so desperately injured that they probably will die. The men are George and Giovanni Francesco, who came to America from Palermo about two years ago. There they had both been rivals for the hand of the same girl, who eventually accepted George, the elder, and they were married shortly before the trio came to New York. Not long after their arrival George began to neglect his wife and at length she left him. When the brothers met in the East Side saloon to-day Giovanni upbraided George for his treatment of the young wife and admitted that he, the younger brother, still loved the woman.

Instantly the brothers closed in a fierce struggle, which ended in the hallway, where they were found unconscious by a policeman. George's head had been crushed by a blow and the younger man had a deep knife-wound in the abdomen.

They were directed to appear before the bar of the House Thursday to make answer and show cause why they shall not be imprisoned. The Councilmen were armed with petitions for writs of habeas corpus.

**UNIVERSITY BOARD IS NOW COMPLETE**  
Captain McCabe and Mr. Millhiser Withdraw Resignations and Will Serve.

**MEETING THIS AFTERNOON**  
Woman's Auxiliary Will Be Formed to Assist in Popularizing Movement.

Announcement was made yesterday by Mr. Joseph Bryan, rector of the board of visitors of the University of Richmond, to the effect that Captain W. Gordon McCabe and Mr. Gustavus Millhiser had withdrawn their resignations and consented to continue as members of the board. The determination of these gentlemen will be a source of great satisfaction to the friends of the university, and will complete the list of visitors whose names go into the official charter. It is not probable that a meeting of the board will be called until the charter has been approved by the Corporation Commission.

**Warm Approval.**  
The meeting of the Richmond Education Association this afternoon will be the first practical step toward securing a site and funds for improving it. It is believed that the Education Association will be of the greatest assistance to the university movement, and the members of the board are receiving expressions of approval from all sources.

The strong endorsement of Dr. Alderman has been most effective in allaying the feeling that the institution might in some way conflict with the University of Virginia. Since the University of Richmond will be an aggregation of colleges already in existence, the item of increased competition does not arise, the benefit being in an increase in facilities and a strengthening and developing of the present institutions.

**Meeting To-Day.**  
Members of the Richmond Education Association and all others interested in the establishment of the University of Richmond are invited to meet in the hall of the House of Delegates this afternoon at 5 o'clock.

It is understood that the present status of the university undertaking will be fully explained by several members of the university board, and it is possible that the meeting may lead to the establishment of a woman's auxiliary to assist in popularizing the movement.

Mr. Joseph Bryan will preside and will make the opening talk. Other speakers will be Hon. A. Caperton Braxton, Professor S. C. Mitchell and the Rev. Dr. W. W. Moore, who will, it is understood, outline a general plan whereby the auxiliary may assist in the undertaking.

The Richmond Education Association has now an enrollment of 907, about equally divided between men and women.

The association has conducted from time to time a system of free lectures. The lecture to be delivered Thursday night by Dr. J. H. Smith being one of this series.

!-!-! x! Don't Digest x!-!

There are many people who can see nothing good in a doughnut except the hole. For them there is nothing in the world but a doughnut. The greatest trouble is to have to eat three times a day. The stomach is in rebellion, and the face, a man to be successful must have sunshine inside. The world already has too many dyspepsia faces that breathe acid and gloom.

Stomach trouble is the most common cause of discontent, sour face, recklessness, distrust and lack of ambition. A bad stomach—there is the secret of many a failure. Any one can have a good stomach, a strong stomach, a stomach that can take care of anything and everything that is put into it, no matter whether it is a very bad stomach or not.

Stuart's Dyspepsia Tablets do this very thing. One ingredient of these tablets is a grain of the finest quality of food, and no matter how bad your dyspepsia or indigestion, they will digest everything in your stomach, thoroughly and completely, and better and more quickly than a good strong, healthy stomach can do it. Stuart's Dyspepsia Tablets will quickly and thoroughly cleanse the stomach, soothe the inflamed, irritated, burning sensations, nausea, heartburn, eructations, loss of vim and energy, bad memory, and dyspepsia and indigestion in their very worst forms.

No other little tablets in the world do so much. You should carry Stuart's Dyspepsia Tablets around with you wherever you go and take them after meals. Then only will you realize what it is to enjoy a meal, and what perfect digestion means. Your whole body and your mind will feel the effects. You will be stronger, you will be more satisfied with what the world does, you will think happier and be happier, and your face will be one of supreme contentment. That will bring you success, and then more success. Your face will bring you dollars. Try it. It will cost you just 50c for a package of these wonderful Stuart's Dyspepsia Tablets at any drug store on earth.

Send us your name and address to-day and we will at once send you by mail a sample package of Stuart's Dyspepsia Tablets, 50c. Send to: Stuart Co., 82 Stuart Bldg., Marshall, Mich.
